

# Career Day

The Career Day is going to take place on Friday the **19<sup>th</sup> of June**, at our premises. The objective of the Career Day is to get acquainted with organizations which fit your profile and interests. As well as to hear about the hiring procedures, vacancies and traineeships that organisations offer them. Next to visiting the information market and attend presentations, you are invited to participate in workshops organized by for example Maastricht University's Career Services.

Thanks to the input of some of you, the programme manager, specializations coordinators and lecturers, concerning organizations to approach, we have invited more than 70 (international) organizations, institutions and companies. As you can see in the attached list we have also taken your specializations, language skills and expertise into consideration as much as possible.

## Draft programme

12:30 - 13:00	Welcome, registration and lunch
13:00 - 13:15	Opening of the event by Academic Director, professor dr.Chris de Neubourg
13:15 - 13:45	PhD programme manager about PhD possibilities for the students
13:45 - 13:45	Explanation about the school for the possible future employers
13:45 - 15:15	Workshops/presentations round 1
15:15 - 16:45	Workshops/presentations round 2
16:45 - 17:15	Drink
17:30 - 20:00	Dinner
12:30 - 16:45	Information market

## **What do we offer you?**

- Invitation to visit the information market
- Presentations by organisations
- Career Day programme booklet
- Opportunity to give your CV's and contact details, which will then be passed on to the organisation, so that these can easily contact you.
- Recruitment dinner (price to be determined.)

In order to supply the participating organizations with your contact information and CV, we ask you to write a short profile of yourself, following the format below.

## **Profile**

## **Biography (max. 150 words)**

**E.g:** Franziska Gassmann (born on 21 April 1962 in Switzerland) is senior researcher at the Maastricht Graduate School of Governance. She has a PhD in Economics and has more than 10 years of experience as a consultant/researcher in social economics and related fields. She has demonstrated her skills and expertise as a consultant and researcher in the economics of safety nets and poverty reduction, and social policy reforms. Ms. Gassmann has extensive experience

with the analysis of the efficiency and effectiveness of formal and informal social protection systems in general and targeted social assistance in particular. She participated in numerous projects financed by international organizations (World Bank, UNDP, OECD, ADB, DFID, ILO) in Central and Eastern Europe, Central and Southeast Asia and Western Africa analyzing safety nets and developing and implementing reform proposals. She is experienced in the development of tools and indicators that allow the regular assessment of poverty and the effectiveness and efficiency of social assistance policies.

For your participation we ask you for a contribution of €5 and your profile. Registration is possible from May 18<sup>th</sup> to June 2<sup>nd</sup> in our office, we will contact you in the near future about this.
