### KEY QUALIFICATIONS

Innocent Fred Ejolu is a public policy specialist with over seven years of experience as a civil servant at the center of the Government of Uganda. He was a Policy Analyst in the Office of the Prime Minister where he participated in the design and implementation of government wide policy coordination, monitoring and evaluation initiatives. He then served as a Senior Policy Analyst in the Cabinet Office where he provided policy advice to government departments, cabinet and its sub-committees. He has been involved in the design and implementation of projects to strengthen policy and law making, and various poverty reduction and development programmes. Ejolu has had job attachments at the London Cabinet Office including that of the Province of Ontario in Canada; and he has recently been an intern at the European Center for Development Policy Management (ECDPM) where he was exposed to key EU-ACP development cooperation policy research processes on issues of aid effectiveness, regional economic integration, and international migration.

### MOST RECENT DEGREE

**February 2007 – January 2008 --Universiteit Maastricht, Maastricht, the Netherlands**

MSc in Public Policy and Human Development. Track: *Globalization, Trade and Development* Thesis: *The Poverty Reduction Strategy Paper (PRSP): A Critical Analysis of the Fundamental Limitations and A Conceptual Framework for Reform.*
